# **TOUCHING THE WORLD**

## **LETTERS FROM THE FIELDS**

**Alexandria, VA**  
**Carolyn Miller**

Please send us more of the tract *What must I Do to Be Saved*. This publication is helpful in our mission to spread God's word.

**Morenci, AZ**  
**Sunset Church of Christ**

Recently, Brother Richard Renfro was at our congregation, and he spoke to us about the work that Mission Printing is providing to share the word with the world through the tract program. It is great to hear of so many of the brethren providing their time and labor to put all of this material together so that it might be sent to foreign lands in an effort to provide gospel teaching to people in those areas. We understand from Richard that the cost of postage is expensive; therefore, at this time, we would like to provide some support to help cover these costs. Please find enclosed a check from Sunset Church of Christ in Morenci, AZ. We will continue to evaluate this work and our finances in the future and continue to keep you in our thoughts as we look at other ways to support God's work in the mission fields.

**Kumba, Cameroon**  
**Church of Christ**  
**Ngah William**

The brethren send their regards to you all. They thank you for the gospel material that Mission Printing sent to our congregation. The material has not only been helpful to the Kumba Town congregation as a whole, but also to other congregations with which we were able to share the material. Their prayers also go up to God for you.

Please send up more gospel material!

**Dehiwala, Srilanka**  
**Subramaniam**

Thank you very much for sending four boxes of books. We were very happy to receive them, and we are distributing the books to many people. The Mission Printing books are very useful to all of us.

God be with you. He will help you to spread the gospel to the world.

**Akwa Ibom State, Nigeria**  
**Church of Christ**  
**Sunday Jonah Udo**

I want to thank you for the material you sent to us and the school. The books have been written by many beautiful brethren and their insight has richly blessed us.

We would like to encourage Mission Printing to continue with this good work for the Lord.

The material is of great help to our congregation, the pupils in the school, and even the teachers. Two headmasters from other schools have also come to us asking where they could get some of the material to help their pupils.

**Wedza, Zimbabwe**  
**Wedza Church of Christ**  
**Farai MLambo**

Thank you so much for the two boxes of tracts I collected today at the post office. Thank you so much! We will distribute them in Wedza area congregations. We have seven congregations in Wedza. We like the songs in the songbooks that you sent. Thank you so much and may God bless Mission Printing.

**Hong Kong, China**  
**Wanchai Church of Christ**  
**Felix Olidan, Jr.**

We received the three boxes of tracts that you sent us. Thank you very much! Rest assured that this will help in our evangelistic purposes and to follow up with students of the World Bible School.

Thank you so much for your generosity.

**Agiripalli, Krishna District**  
**Andhra Pradesh, India**  
**Agiripalli Church of Christ**  
**G. Jacob**

Thank you very much for send us so many books and Bibles. Praise the Lord! The material is very useful in teaching our young people the truth. It is a great thing Mission Printing does to provide scripturally sound material to the world!

**Abak, Akwa, Ibom State, Nigeria**  
**Church of Christ**  
**Monday John Akpakpan**

I received twelve boxes of Bible studies from Mission Printing yesterday. I really appreciate your efforts in sending me the material. I have started distributing them straight away. It is enjoyable trouble when I receive your material.

It is **enjoyable** because we were in bad need of these studies. The only **trouble** is the cost of getting the material from the Nigerian post office. I am charged N550 per carton. The 12 cartons cost me N6,600 (about \$45). Please do not be discouraged in sending me study material. I will pay anything they charge me happily so that I get the material for our evangelism.

Thank you for the songbooks. We had been searching for songbooks to use in the congregations that are in our federal prisons.

May God bless you all for your good work and service.

---

*Sometimes post offices in other countries charge fees to churches in order for them to receive their packages. This shouldn't be done since the fees are always paid on Mission Printing's end. Satan will do anything in the attempt to stop God's word from spreading throughout the world.*

**“I will pay anything  
they charge me happily  
so that I get the material  
for our evangelism.”**

**Chitungwiza, Zimbabwe**  
**Campbell Tsiga**

I do hop this letter finds you prospering in Christ. I just want to thank you all for the work you are doing and for helping lost souls find Christ. May name is Campbell Tsiga, the fifth son to Conrad & Helen Tsiga from Chitungwiza, Zimbabwe. I am a W.B.S. follow-up helper, and I really find your Bible studies helpful. Keep up the good work, and may the Almighty bless you and be with you always.

**Enugo State, Nigeria**  
**Nnaji Chidiebere Daniel**

I thank God for the opportunity given to me to lay my hands on some of your books. They have changed my life. The great thing about the books is the detailed nature of the material and how the studies handle the word of God.

**Peria Agaraharam, Tamil Nadu, India**  
**Church of Christ**  
**K. Thangaraj**

I received your parcel with great joy. Thank you very much for your kindness. I appreciate your good work at Mission Printing. It is wonderful to view the studies and they are very useful to me as an evangelist. Thank you. I encourage you to keep up the good work. May the Lord abundantly bless you.

**Mae Sai Chiang Rai, Thailand**  
**Daniel Kap Lian Thang**

I thank God for your wonderful books. They gave me a lot of encouragement in my ministry. Your words penetrated my head. You are building up my spiritual life.

I long to receive more of Mission Printing's Bible studies.

I am doing ministry among the tribal people at the borders of Thailand, Laos, and Myanmar. We have the responsibility to preach the gospel of Christ to them. Many people are longing to hear and received the good news of Christ.

Thank you. May God bless you abundantly.

**“I long to receive more  
of Mission Printing's  
Bible studies.”**

**Ikeja, Lagos State, Nigeria**  
**Ohemu Godwin Pius**

It gladdens my heart that God has given me this opportunity to write you. My motive of writing you is just to express my profound gratitude for the parcel you sent to us. I am very grateful and I pray that God, in his infinite mercy, will continue to give you the strength to continue in the Mission Printing ministry.

I want to inform you that the books have made an incredible impact in the lives of unbelievers in our school and community, as well as in the lives of new converts in the congregation. As a matter of fact, I want to inform you that we are hungry for more!

**Devonport, Australia**  
**Mersey Bluff Church of Christ**  
**Ian McPherson**

The tracts arrived this week. Thanks for sending them. They are great! We have already used some in our door knocking today.

**Benin City, Edo State, Nigeria**  
**Uniben/Ubth Church of Christ**  
**Idehen Osagiede**

It's with all my heart I acknowledge the receipt of the parcels you sent. It came in handy for we had just exhausted our material that you sent previously.

The whole congregation is grateful for this kind gesture, and we pray God's blessings be showered on Mission Printing.

I also commend the promptness of your reply. Thank you from the depths of our souls.

**Abagana, Anambra State, Nigeria**  
**Everest Eneh**

I want to express my sincere gratitude to Mission Printing for their mission to spread the gospel. I received two cartons of material for the gospel campaign that I told you would commence next month. There will be congregations from four surrounding states, as well as Anambra State. This will be a huge gospel campaign indeed.

We appreciate your assistance and plead with you to continue sending us material as we attempt to teach the lost of our area of Nigeria.

**Kibi, Ghana**  
**Franklin Boafo**

Christian greetings from the Kibi and Gyampomani congregations. I also want to take this opportunity to express my sincere appreciation to Mission Printing for the supply of religious material in our area. I must say the material has helped us in our evangelism work in the rural communities. We still need more of such Bible studies. I must say that evangelism work in the Kibi area is progressing. Even the traditional authorities have embraced the word of God. Thanks to the almighty God who has given us the opportunity to spread His word. I also want to commend our Christian brethren in America for the strong foundation they laid in Ghana. We continue to pray that God will use America and Mission Printing to champion the cause of Christ until the whole world accepts Christ as Savior. May the good Lord bless you and keep you..

**“We pray God's blessings  
be showered on  
Mission Printing.”**

**Chegutu, Zimbabwe**  
**Chegutu Church of Christ**  
**Shorayi Mubvumbi**

We wish to acknowledge and to thank you for the twelve boxes of literature we received yesterday. We never thought it would be so quick! We are elated! We are so excited and very grateful to receive them!

Your efforts and Christ-centered love are sincerely appreciated, and there are no words that can describe your impact on our people.

**Baguio City, Philippines**  
**Midtown Church of Christ**  
**Jonathan “JoJo Ramos**

Blessed day to all at Mission Printing. With great joy and gladness I praise our Father for the blessings received through your ministry. Thank you so much for everything!

We used all your tracts and books in our evangelistic effort in the mountainous region of our country. With the grace of God, we have had the birth of a new congregation, the Bokod Church of Christ. It began with sixteen souls becoming obedient to the gospel and putting on Christ through baptism, and many more are joining our worship services. The fruit of your labor is aiding in the harvest. **PRAISE BE TO GOD!**

We have been using your material in our community evangelism, medical-dental missions, workshops, and house to house visitation. Many hearts were being softened.

**THANK YOU! THANK YOU! THANK YOU! FROM THE BOTTOM OF MY HEART!** With Mission Printing's help, we are bringing the saving power of the gospel of our Lord Jesus Christ to our people in the Philippines.

Thank your for giving us the confidence and guidance through your material to lead our brethren toward the battlefield and bringing victory for Jesus. Thank you so much! We continue to march into the battlefields with the sword of the Spirit and the armor of God.

Please continue to support us with your material. We need more boxes of God's instruments of teaching since we have depleted the last supply. Please send the material A.S.A.P., as we are about to plan for another offensive march into the battlefield.

# 2009: A YEAR OF REMEMBERING AND PLANNING

The year 2009 has been and time of remembering the past and planning for the future. Mission Printing has been a strong force in the fight for lost souls for 30 years. As we prepare for our celebration, the Mission Printing family I sharing stories of the foundation of this great organization and its early years of development. We have enjoyed over three decades of furthering “world evangelism by the printed page.” I am amazed by the vision and drive of Brother Guy Caskey each time that I walk into the Mission Printing building or when I present the Mission Printing story to a congregation. Bro. Caskey will forever be known as a great man of faith, not because of what he did, but because he let Christ have the control. He would be the first to inform you that Mission Printing was never his or Jessie Lee’s, but that it belonged to the Savior. This believe continues today: **Mission Printing is not ours; it belongs to our Lord Jesus Christ!** This is why Satan is scared of the power that is found in this organization.

Along with remembering the past 30 years, Mission Printing has been planning for the next 30 years and beyond. Our process of developing, compiling, and shipping books has become more efficient in the last few years. We continue to send material to countries throughout the world. **We have actually shipped Bible studies to 122 countries; half the countries in the world!** You can read some of the letters that we have received fro locations across the globe in the Touching the World section of this newsletter. **Mission Printing has plans for the future and we need your help!**

**Financial aid** is the part of our planning with which Mission Printing needs your immediate and ongoing help. The economic times have impacted us in a dramatic manner. Our donations have decreased greatly due to the economic times and deaths of several donors. While our donations have dropped, expenses have not. **We are in need of your help!** We realize that Mission Printing is not unique in this position and that you might be aiding other worthwhile and Christ-centered organization. We are not asking you to cut back on any of your other commitments. We are

simply asking you to increase your financial aid to Mission Printing, if only by a few dollars.

With 2009 quickly coming to a close, this would be an ideal time to make a special donation. Perhaps you or your congregation had a exceptionally good year and you are able to send an EXTRA year end gift. This is also a good time of year to honor the loved ones in your life or someone that has touched you in a special way.

People often feel that they can’t give much and that it really wouldn’t help to give so little. I am here to let you know that your “two minas” go further than Satan would like you to think. If we had 500 people that give \$10 a month, that would increase our yearly donation by \$60,000! This would eliminate our yearly deficit in total. Don’t let Satan convince you that your gift can’t go far. Your “small” gift will be felt around the world!

We also need your help with **workers**. Mission Printing is always in need of volunteers. Over the years, we have lost many of our longtime workers due to health issues and even death. We need workers in the harvest field. If you are someone you know wants and needs a place to work for God and to aid in the spread of the gospel, then please remember Mission Printing.

We also need **mission points** where we can send scripturally sound Bible studies. Whether it’s overseas or in the U.S., Mission Printing wants to get the material into people’s hands. God’s word does no good if it sets on a shelf collecting dust. No matter where lost souls may be found, Mission Printing has the mission and the responsibility to get God’s word to them.

So, as you plan for 2010 and beyond, we hope that you include Mission Printing in your life. You will be blessed for it! God bless you all and may you continue to experience the glory of God Almighty.

## A Special Tribute from our Volunteers

Our volunteers wanted to take this opportunity to honor an incredible Christian woman: Mary Carroll. Mary joined the Mission Printing family in Dec. 2003. She came on board not knowing what to expect from us and the feeling was mutual. We would soon find out, as one volunteer stated, "Mission Printing was blessed in Dec. 2003."

Mary Carroll truly has been a blessing. She is always willing to do whatever is asked of her. You might find her in the office reading letters from foreign lands, in the collating room helping the volunteers, in the mailroom making sure everything is running smoothly, or in the kitchen cleaning. You might even find Mary outside taking care of the recycling. There are no limits to the steps Mary Carroll will take in her service to her Savior and her Christian family.

I am often away from the office preaching or on other trips; however, I never worry if everything is okay at Mission Printing. Where Mary is concerned, you can't misplace trust or love.

The volunteers wanted Mary to know that they are honored to know her and to have her in their lives. Many of our volunteers consider Mary to be one of their daughters. I consider her to be one of my best friends and a Christian sister.

On behalf of Mission Printing workers, thank you, Mary, for your service and unwavering love for everyone you meet.

## Special Project by Supporters of Mission Printing

Three of Mission Printing's supporters and volunteers developed a new way that helped raise donations. They created a "Big Man Calendar." Anyone that has come to Mission Printing lately knows of "Big Man." He is the cat that belongs to Melvin & Evelyn Armstrong of the Belt Line Rd. Church of Christ. Helen Thomas, also of Belt Line, has been making outfits for this well-known feline for quite some time.

The Armstrong's and Sister Thomas came up with the idea of creating a 3-year calendar that features "Big Man" in his many outfits. They asked for a \$15 donation to Mission Printing for each calendar. All of the proceeds were given to Mission Printing as donations to help in "world evangelism by the printed page." At the time of the printing of this newsletter, we had received over \$1,600.

Mission Printing would like to offer its appreciation and deepest gratitude to the Armstrongs and Helen Thomas. The "Big Man" calendar was a very creative way to help our mission efforts. All the funds will be used to spread the gospel to lost souls throughout the world. Thank you for keeping Mission Printing in your thoughts and prayers. We would also like to thank Melvin, Evelyn, and Helen for being such a vital part of our Mission Printing family.

## PLEASE NOTE

If you are not on our regular mailing list and you make a memorial donation, you will receive the issue of the newsletter in which your memorial appears. If you wish to continue receiving the newsletter, please let Mission Printing know by contacting Mary Carroll. If we do not hear from you, your name will be removed from the mailing list. We are sorry for any inconvenience that this may cause. We are attempting to reduce any expense that is not needed. Thank you for your support and prayers.
