CHRISTIAN
INCREASES ...

THE CHRISTIAN INCREASES . . .

INTRODUCTION

This study is only a guide and outline. All authority and instruction must come from God's word. It is the Bible, in particular the New Testament, that is our guide and it is our Lord Jesus Christ who is the source of our life. In light of this, we offer the following suggestions:

1. Precede and conclude each study lesson with prayer.
2. Older and younger Christians are studying, sharing, and learning together. No one has all the answers other than our Lord.
3. Reach each scripture together carefully before discussing and answering the questions.
4. Be as complete as possible with each answer.
5. If different translations of the Bible are being used, we recommend reading the scriptures aloud from each translation.
6. When further questions arise, don't be tied to this study guide.
7. Although there are lessons here in it, it is not vital that a full lesson be completed at one time. Be flexible.
8. Our aim is more that study together. We desire relationship to develop between the Christians involved.
9. If at any time additional aid is desired, we encourage you to feel free to call on any of our elders and/or our minister.
10. Precede and conclude each study session with prayer. God bless you as you share in this avenue of growth toward maturity in Christ. Our aim is to learn to serve Christ our Lord in a way tha brings glory to Him (Colossians 1:28).

THE CHRISTIAN INCREASES . . . IN CONTINUAL SPIRITUAL PROGRESS

Someone has suggested stages of Christian growth similar to human physical growth. Let us consider these:

Honeymoon Stage:	Happy and joyful in a new relationship. We also need to begin planning how to retain this relationship.
Fight Stage:	Old habits, feelings, and attitudes try to come back into our life. Time to learn to resist the evil.
Doubting Stage:	Wondering begins about the meaning of salvation. A need for more information develops. Good Bible Study habits help.
Panic-Search-for-Truth-Stage:	Questions and decisions arise. Decisions must be made about right and wrong. Some uncertainty and confusion common. Need Christian friends and helpers.
Silent Christian Stage	Beliefs known but not shared. Inner calm. Time to learn how to share Christ with others.

Do you find yourself in one of these stages. Let's outline briefly the available help provided by the church:

1. Older Christians-let them know your needs.
2. Small group studies-help Christians grown.
3. Life group meetings-fellowship and encouragement.
4. Bible classes Sundays and Wednesdays--grow in knowledge.

5. Worship assemblies--commune and be strengthened in the faith.
6. Individual counseling--elders ready to help as needed.
7. Special classes--*Family, Training to Multiply* (evangelism), others as announced.

You have begun a new life in Christ. This study has been one means of aid in your first days. You have grown. You have made spiritual progress. This needs to continue all the days of your life. Let's consider the continued growth needed.

THE CHRISTIAN INCREASES ... YOUR FIRST FORTY DAYS IN CHRIST

In all probability someone has shared this study guide with you immediately following your decision to die with Jesus Christ in baptism. You have just come forth from the water and all your sins have been forgiven, and there is now a new power at work in your life, the Holy Spirit of God. You were willing to count yourself nothings and now God has raised you up to life on the higher plane.

One of the things a disciple of Jesus learns is that there is much that he or she doesn't know or understand. This should in no way discourage you. It just means that you have a lifetime of growing and developing ahead. It will never become boring. God's love is wide and deep and long and high, and the more we grasp the better it all becomes.

This study guide is designed to help you have some direction each day for the next forty days as you start listening to the voice of God as He speaks to your whole life. Why forty days? That was the length of testing Jesus himself went through following His own baptism. He passed victoriously through that testing because He knew the word of God and each time Satan came, He drove him away by using the very words of Scripture. Satan will make his attack on you. He knows you are young and more vulnerable, but God is with you, and with the weapons of righteousness in your right hand and left, you can defeat anything that would take your new life from you.

Determine right now that you are going to make this a rich and powerful study. Open wide your heart and let God do with you all he wants to do. Make sure that you have a definite time and a definite place reserved each day to study the scriptures so you can keep hearing the word of God. Don't let anything or anyone keep you from this most crucial time.

THE CHRISTIAN INCREASES ...

WEEK ONE - "Dead to self-Alive to Christ"

This week you will study passages in the scriptures that show clearly the problem. The problem is self. Christ calls us to crucify the old self and He promises to raise up a new, different self.

1st Day

1. Before you actually begin your Bible study program, take a few minutes and write down, in your own words, what your baptism into Christ meant to you. Why did you do it? What is it going to mean? If you will keep this in a safe place it will mean a great deal to you for years to come. As the years pass, it will serve as a reminder to you of the serious commitment that you made.
2. Turn to Luke 9:18-16. Read and study this passage several times.
3. Now turn to Luke 18:28-30 and look at the promise that is attached to discipleship, indeed to the decision you have just made.
4. These two passages will become very important as you share your life in Christ with others. Remember where they are and what they say. As you continue to go through this study, remember that everything you learn is something you will be responsible for passing on to someone else. Don't skim over it. Learn it as you go.

2nd Day

1. Turn to Romans 6:1-14. Read and study this carefully. Each time you come to the word we or us substitute your own name. For example: Romans 6:2: "Certainly not! How shall John who died to sin live any longer in it?"
2. Write down some of the things about your old self that caused it to receive the death sentence.
3. Write down some thing about your new self that you really want to express.
4. How do you specifically plan today to live out verse 13?

3rd Day

1. Before you start today's study, ask yourself a very important question about everything you have learned. It is something that you will be responsible for passing on to someone else. Don't skim over it. Is there anything in you that does not want to be with other disciples? If so, you can be sure it is something not of God and must be crucified. It is your old, independent self; not the new self God is giving you.
2. Turn to Romans 7:14-24 and read how powerless we are to live the new life alone. Do you see why we must exalt Christ? Especially note verse 24.
3. But now go on to Romans 8, where we see how we can do the impossible. You were told at your baptism that you would receive the gift of the Spirit. Now study some of what the spirit means in your life. Read and study verses 1-17, making notes on the thing that strike you. Remember to continue substituting your own name for the pronouns.

4th Day

1. As you have questions about things that you are studying, or things that are happening to you, seek out some other brother or sister in Christ and let them help you. They have been through many things you will go through. Benefit from their wisdom and understanding.
2. For this Bible study, you will need both an Old Testament and a New Testament. If you don't have both, make arrangements to get them.
3. We are children of God. As His children, we need His correction and instruction. This is true for every Christian. How you take correction is going to make a great difference in your growth in Christ. Turn to Proverbs 12:1-2. Next look at Proverbs 12:15. Then go to chapter 10, verse 17.
4. Write down you own attitude toward being corrected. Distinguish between those things that are left over from your old self and those things Jesus Christ is putting in your heart.
5. Go to the New Testament now and read II Timothy 3:16-17, and answer the question: what is going to be your attitude toward God's word?

5th Day

1. In your new life, you will find that attitude is important. If you develop a critical, negative, pessimistic attitude, you will put out the Spirit's fire in your life. Today the Bible study will focus on the reason you can keep a great attitude even in the worst circumstances.
2. Read and examine each of the following passages: John 16:33; Romans 8:28; Philippians 4:12-13, 19; and James 1:2-4.
3. When these are all put together, what are they promising you about everything in your life?
4. How does this fit with having a good attitude regardless of what is happening?
5. List anything that is tending to cause you to have a negative, complaining, pessimistic attitude. Confess these to another Christian and ask for their prayers and encouragement.

6th Day

1. By today you have probably realized that you are not doing all for Christ that you determined to do. You want to love him with all your heart, soul, mind, and strength but you fail in some specific areas. What you will study today will be very important in dealing with this for the rest of your life.
2. Turn to I John 1:5-10. Read it once; carefully.
3. Think of the difference between light and darkness. In one, things are out in the open. You can see them as they really are. In the other, things are hidden and covered by darkness. With this in mind, what does he mean when he calls us to "walk in the light?" Do you see how this fits with verse 9 and the call to admit our sins?
4. We all, from the oldest to the youngest in Christ, sin. If we claim that we don't, we lie (verse 10). How then are we to handle all this? Do we cover and hide our sin? Or do we bring them out into the open?
5. Look at the two results of walking out in the light, as described in verse 7. How will this cause a deeper fellowship with the brothers and sisters?
6. Remember this trustworthy saying: "Satan's only ground is darkness. When we confess our sins and bring them out into the light, we take away from him his only base of operation."

7th Day

1. As you come to the end of the first week as a committed follower of Jesus Christ, go back to the most basic idea in discipleship. Turn to Galatians 2:20.
 2. Every time your old nature tries to assert itself, you can say: "I have been crucified with Christ." Concerning what things do you especially need to say that today? Write them down.
 3. As you determine what you should do with your day, remember, "I, _____ no longer live, but Christ lives in me." Meditate on this great idea and then determine to let your life today be used for the very things that Jesus Christ is most interested in.
 4. Focus on Paul's words today: "You are not your own; you are bought with a price" (I Corinthians 6:19-20). Believe that--you are not your own, Jesus Christ has purchased you for his purposes by his death on the cross. Carefully distinguish between your purposes and his purposes and live as one who has been bought with such a great price.

WEEK TWO - "No Life Outside The Body"

8th Day

1. Begin today by reading Matthew 28:18-20, concentrating on verse 18 and verse 20. What do these two verses say to you?
2. Jesus Christ, who has all authority, taught us that the church is important. In Matthew 16:16-18, Jesus hears Peter confess Him to be the Christ, the Son of God, and immediately Jesus said, "On this rock I will build My church, and the gates of Hades shall not prevail against it." Jesus saw the church as the center of His plan. He wanted to build it and He intended to make it so strong that the forces of Satan could not stand against it. What Jesus counted as so important, we, too, must count so important.
3. For a true picture of what the church should be striving to become every day, look at Acts 2:40-47.

4. What can you do today and the rest of this week to contribute to this kind of life, the church, among God's people.
5. If the church of which you are a part is not like this at all, what should you do? Complain vigorously? Leave the church and go it alone? Or, is there a better, more more Biblical option?

9th Day

1. Paul describes the church as the body of Christ. Read Romans 12:1-8 and see how giving yourself first to God leads to giving yourself to others in *the body of Christ*.
2. Notice particularly verse 5, which says: "so we, being many, are one body in Christ" or "individual members of one another." How does this conflict with the American ideal of individualism?
3. List three things that you know already that you can do for other members of *the body of Christ*. Share these with someone close to you and get their reaction.
4. List at least three things that you need from *the body of Christ* in order to grow in Christ. Share these with another person, also.

10th Day

1. Read Ephesians 4:1-5. Why does it seem to you that God is so concerned about *the body of Christ* being in unity and peace?
2. Turn to Romans 14:13--15:3 and read how far we should go and how much we should bend to keep *the body of Christ* together.
3. Is there anything in your life that is so important to you that you would not give it up even if it were keeping people from coming to Jesus Christ or growing in Him? If there is, look back to verse 21, and seek help if dealing with this area of your life.

11th Day

1. God is greatly concerned about the *unity* of the church, but He is also greatly concerned about the *purity* of the body of Christ. We are called to a holy life and a pure life, and sin

that is hidden or ignored will destroy the power of the church.

2. Read Ephesians 5:1-14. List those things which are described here as improper for God's holy people.
3. How would living as "children of light" be totally different from those things you have just listed? What is the basic difference?
4. You are a young Christian, but what should you do if you see brothers or sisters falling into some sin? Read Galatians 6:1-2.

12th Day

1. What is the one thing that must be in the church and in our relationships above all else? Read the following passages: John 13:34-35; I Corinthians 13:1-3; Galatians 5:6, 13-14; Ephesians 5:1-2; Colossians 3:14; I Peter 4:8.
2. For a more precise definition of love, compare John 13:34-35 with I John 3:16. List all the things you can think of that describe the way Jesus loved us.
3. How are you progressing in your relationships with your new brothers and sisters in Christ? Are they seeing your love for them? Many new Christians just want to *beloved and to be served*. Break this pattern and reach out to others, because Jesus has reached out to you.

13th Day

1. One of the things we can all do for one another in the *body* is give encouragements. Read a powerful statement about this in Hebrews 3:12-14.
2. According to this passage, what is to be the specific purpose of our encouragement? If this is not clear, be sure to discuss it with a brother or sister in Christ.
3. Look at II Timothy 4:2. Notice we can encourage people by sharing the *word* with them; not just complimenting them. In your new relationships, try to share with someone every day something that you have found in God's truth that is inspiring and encouraging to you.

14th Day

1. When problems develop in the *body* between brothers and sisters, they must be dealt with so that Satan is given no

- opportunity to enter in. Read Matthew 18:15-20, which gives us the right way to deal with such situations.
2. Determine early in your Christian life that you will not complain or grumble behind someone's back about what they have done. Determine that you will always go to them and resolve the problem with God's help (verse 20).

WEEK THREE - "Go Make Disciples

This week we cant to look at how God plans to use you to bring others to freedom from sin that you have found in Christ. First, we will consider how important your own life is in sharing with others.

15th Day

To be a disciple is to come under the discipline of Jesus Christ. To be a disciple is to let Jesus Christ be Lord in all the areas of your life. Examine carefully the following items and make sure that you are opening up and working on those that are applicable to you.

Financial Status--Are you using money wisely? Are you taking care of debts? Are you giving generously to the church? Is all your money God's money?

Sexuality--Are you completely free of any immoral relationships? Are you opening up your struggles to others who can help and encourage you? Are you strongly rejecting the world's attitude toward sex and replacing it with God's attitude? This area is a real stumbling block for many young Christians. Don't dismiss it lightly.

Time Management--Are you eliminating wasted time from your schedule? Do you have definite plans at the beginning of each day? Have you shared your schedule with someone else to get their opinion and input? Read I Thessalonians 4: 1-12 for Biblical encouragement in all these areas.

16th Day

1. Turn to I Peter 3:13-17 (especially note verse 15 and 16).
2. What is involved in each of these statements?
 - a. "In your hearts acknowledge Christ as the Holy Lord."
 - b. "Always be prepared to give an answer."
 - c. "With kindness and respect"
 - d. "Keeping a clear conscience."
3. Who are the people around you? Write down their names. The need to hear the answer about Christ as Lord in the spirit of the passage you have just read.

17th Day

1. The last words a person speaks usually tell us a lot about the major things on their heart. Turn to Matthew 28:18-20 and read again the final commission of Jesus before He left this world.
2. What does it mean to you that "all authority has been given" to Jesus Christ? What does it mean that he has all authority over you?
3. What the implications for you life in his statement to "make disciples?"
4. Look back over the list of people you wrote down yesterday. Begin praying for them specifically that you may share with them the message that Jesus has given you.

18th Day

1. Start today with Colossians 4:2-6.
2. List all the things you find here that relate to sharing your faith with someone.
3. What does it mean to "Make the most of every opportunity?" How have you used the opportunities of this week? What can you do to use them more for the Lord?

19th Day

1. We tend to think that certain situations are not good ones for sharing the gospel. Most of us would find being in prison and in chains a terrible circumstance for evangelism. Read Acts 16:22-34.

2. To see that this is no fluke, turn next to Philippians 1:12-14 and listen to what Paul has to say while writing from another prison. This one probably in Rome where he was chained to a guard.
3. What situations are you in right now? Write down why these situations make sharing the gospel difficult. Having done this, give all these excuses up to the Lord and claim the fact that He is able to work powerfully in all circumstances. Turn over to Philippians 4:4-6 for encouragement.

20th Day

1. To make disciples, we need boldness and courage. In ourselves we don't have what it takes. The Holy Spirit will fill us with the boldness we need. Read Acts 4: 8-13, noting especially verse 13.
2. Also notice the message we must proclaim. It is found in verse 12. Don't ever water down this message. He is the only one who can change lives.
3. Read II Timothy 1:7. When you find yourself being timid, you can be sure that it is yourself. It doesn't come from Him. The self must be denied and we must give God's Spirit the freedom to fill us with power, love, and control. There are many statements in the Scripture concerning courage and boldness. Keep studying and never be satisfied with timidity and fear.

21st Day

1. True evangelism aims at bringing a person into the body of Christ. As you share with people, make every effort to introduce them to the members of the body where you are. Experience shows that this is a powerful tool in teaching people.
2. Look at Acts 2:42-47. This is to be the spirit found in our fellowship and, when outsiders come in, they will be convinced that something is missing in their lives.
3. You have now been a Christian for three weeks. You can be having an impact on others for Jesus Christ by now. If this is not happening, or if you see that it could be happening much more, et with a brother or a sister and share what is going on. Let them encourage and help you.

WEEK FOUR - "The Father, the Son and the Holy Spirit"

During this week of the study we will look at the God we worship and the way He expresses Himself in the Father, the Son, and the Spirit.

22nd Day

1. Turn to Mark 14:32-36. Notice the word Jesus uses for God. It is the Aramaic word *Abba*. It was an intimate word and no Jew ever used it before Jesus to describe God. Look at Romans 8:15-17 and Galatians 4:6. Do you see the kind of God we have and how we can approach Him?
2. Look at Matthew 7:7-12. What does this say specifically about God's concern for you today? What things are you concerned about? What does God feel for you?

23rd Day

1. Jesus Christ is the Son of God. Our whole faith is built on the fact that He came into this world from His own special place, and put down His life for us. What does that tell you about such a one?
2. Read John 1:1-18. According to this passage, what do we find in Jesus Christ? What does it all mean to your personal life that He is this way?
3. Look closely at what He went through for you. Take the Old Testament and read Isaiah 53 and see the statement made about Him even before He appeared on earth.

24th Day

1. When you were baptized into Jesus Christ, you received the gift of the Holy Spirit. Today and tomorrow, we want to look at some of the ministries of the Holy Spirit in your life.
2. Turn to John 16:5-15 and read carefully, looking for teaching about the work of the Holy Spirit.
3. The work of the Holy Spirit involves convicting of sin, righteousness, and judgment. How would you relate the passage to the ideas found in Ephesians 6:17; II Timothy 3:16-17; Hebrews 4:12-13; I Corinthians 3:16 and 6:17-20?

25th Day

1. Continuing to look at the work of the Holy Spirit, turn to Romans 8 and read verses 1-17.
2. Focus on verses 9-11. What kind of promise is made to you here? Write down some ways you can see this practically affecting your life.
3. In our lives we have been enslaved to various passions and desires. On our own we have found that we had no real power to break free from these desires. Notice the message of verse 12 and 13. How do we put to death the misdeeds of the body?
4. Notice in verses 14 and 17, how the Spirit of God in us brings us into intimate relationship with God.

26th Day

1. It is important to learn all you can about Jesus Christ because of what the following scriptures teach: II Corinthians 3:18 and Romans 8:29. What do these passages teach about our relationship to Jesus Christ?
2. Look at I John 3:1-3. What the hope referred to in verse 3?
3. List at least three things that are found in Jesus Christ that you want to work on in your life.
4. How would you respond to someone who might say: "Trying to be like Jesus is an impossible dream. It can only frustrate you."

27th Day

1. Look at the picture of Jesus Christ found in Hebrews 4:14-16.
2. Write down what each of these statements means to your life:
 - a. Jesus is the great High Priest who has gone into heaven.
 - b. Jesus is able to understand and relate to our weaknesses since He was tempted in every way like us, yet without sin.

- d. Because of Jesus, we can approach God's throne, a throne of grace, with confidence.
3. How does this understanding of Jesus Christ affect you right now? Write down the way it changes your attitude.

28th Day

1. There may be some things that will happen to you to make you wonder if God is for you or against you. Read Romans 8:31-39 to see the kind of God you worship.
 2. Go back to verse 28 for still another promise.
 3. Paul lists in the first passage a number of things that might seem to cut us off from the love of God. What are some things in your life that are difficult or threatening? Write out verse 37 just as Paul says it and then write verse 38 substituting the things in your life that might interfere with your relationship with God.
 4. What role do you play in gaining this victory?
-

WEEK FIVE - "Submit to Every Authority"

This week you will study one of the keys to the Christian life. It is totally opposed to worldly wisdom, but it is something we see perfectly in Jesus, and He wants to see it in us. It is the principle of submission.

29th Day

1. Already you have studied passages that tell you who really has all authority today. It is Jesus Christ, but God has set up certain orders in society. The purpose: (1) maintain order and (2) teach us to be submissive and obedient in spirit so we can ultimately and basically submit to and obey Jesus Christ.
2. To follow Jesus Christ, one must have an obedient spirit. One must be willing to submit to another's authority. Read I Peter 1:2, 14. What kind of children does God want?

3. Read Ephesians 2:1-2 to determine what kind of spirit God is opposed to.
4. Look at Hebrews 5:7-9 for an important statement about Jesus Christ who is our example in all attitudes. What did He learn? How was it learned? What does God want us to learn? How will it be learned?

30th Day

1. Return to I Peter where we learned yesterday that God wants obedient children. Now look at I Peter 2:11-17.
2. Our old self with its sinful desires (described in verse 11) does not want to obey. It doesn't like to be told what to do. That is why Jesus says, "Deny yourself." We must be willing to cooperate with God's plan.
3. Notice in verse 13 why you submit to every ordinance [authority].
4. List all the authorities that you can think of that are in your life; meaning, all the people that are in some role where they can tell you what to do, or strongly expect you to do what they ask. What is your attitude toward these authorities?

31st Day

1. The question is often asked, "Do I have to submit to these authorities in my life even when they are wrong?" What do you think the mind of Christ would say here?
2. Continue the passage you started yesterday, Read I Peter 2:18-23. What does it contribute to the question raised above?
3. What we are being told here and in Ephesians 5 and 6 and Colossians 3 is that we should have a submissive and obedient attitude at all times. We should be ready to obey obey those that God has put over us. However, there will come times when we cannot obey. See Acts 4:18-20 for a clear example. Study this carefully. When a command of some man or woman constitutes a clear violation of scripture, then we cannot obey that person; but we should not then take on a rebellious attitude. We should lovingly and with respect for their authority decline to submit in that area.

32nd Day

1. In the body of Christ, God has placed certain men over you. First, there are the elders or overseers in the body, and then those who have been given special authority by the elders. Look at what Hebrews 13:17 says about your responsibility to these men.
2. Do you know the names of the elders and other leaders who are working to lead and guide you? How can you specifically make their work a joy and not a burden?
3. Does this passage say that we have to agree with everything a leader does before we can submit to him and obey him?
4. Make use that all of your relationships with all of your leaders are good ones. If there is any anger or resentment or hurt in you toward any one of them, don't put off sitting down with the leader and opening up your heart. If you see others in the body developing rebellious and disobedient attitudes, go to them and encourage them to deal with that.

33rd Day

1. Go to Ephesians 5:21 and start reading, and go through chapter 6 verse 4. Regardless of who you are, you are more likely in some kind of family relationship. In these relationships, you can show the love of God ... the kind of love that is willing to lay down its life for others in the family.
2. If your spouse, parents, or children have not been seeing in you the things described in Ephesians 5 and 6, then a confession to them could open up many new possibilities in your ministry to them.
3. Remember, your ultimate concern is that your family members come to know the living God through your life in a deeper and deeper way.

34th Day

1. Turn to and read Romans 13.
2. List as many clear teachings in this passage as you find.
3. Is there anything wrong with a bitter, complaining attitude about the government one lives under?
4. When must a Christian say *no* to government? In what way should he say *no*?

35th Day

1. One of the great texts in the New Testament is Philippians 2:1-11. Read this carefully, looking for the deeper teaching about the power of submission.
 2. In what ways can you *empty* yourself? (This is literally translated in some versions: *made himself to be nothing.*)
 3. In what specific ways can you, this week, take the form of a servant to others who are lost?
 4. What happens to those who submit? What does God do?
-

WEEK SIX - "Fighting the Good Fight of Faith"

36th Day

1. You are well over a month into your life as a follower of Jesus Christ. If you have been serious about it, this month is one in which you have faced many things about yourself that need changing. It also is one filled with joy because you know that God is for you and Jesus Christ is with you to help you become like Him.
2. Look at Paul's word about joy in Philippians 4:4-6. How often does it say we should *rejoice*? Compare this with I Thessalonians 5:16-18. When should we rejoice? Be thankful?
3. If you have been guilty of complaining or being negative about your life, see out another disciple and let him/her know that you are sorry because you have all the reason in the universe for joy.

37th Day

1. The image of soldier or warfare is often used in the New Testament. The reason is: we are at war. The ways of God

and the ways of men influence by Satan are totally opposed. Our culture is constantly bombarding us with its message of how to find life, but God's message is totally different. One cannot survive in warfare unless he is equipped and knows how to do battle. For the rest of this week, we will look at this matter.

2. Start with Ephesians 6:10-18. There is enough here for several days of study and we will take a little at a time.
3. First of all, in warfare we need to clearly identify the enemy. Verse 11 makes that identification very clear to us. Who is the enemy? What are some of the schemes you can see him working in your life to take you out of the light of God?
4. Please realize now and always that your boss, your parents, your husband, your wife, are not your enemy. Flesh and blood people are not enemies, and any time we identify them as enemies we fall into Satan's scheme and begin shooting at the wrong person. List some times recently when you may have done this or come close to doing it.
5. Set your mind against the real forces of darkness that Satan commands. Pray for strength and for God's mighty power to overcome it.

38th Day

1. Read Ephesians 6:10-18 again.
2. Satan's power is described in real terms and you will be vulnerable to him if you are not aware of his power. But why is it true that we do not have to be fearful of this warfare?
3. We don't have to be fearful, but we do have to put on the full armor of God. Without the protection and the spiritual weapons He supplies, we will be overcome. Let's look at them one at a time:
 - a. The belt of truth--where do you find truth (John 17:17)?
 - b. The breastplate of righteousness (Ephesians 6:14; Philippians 3:8-9).
 - c. The gospel of peace (Ephesians 2:14-18).
 - d. The shield of faith--how does it put out the fiery darts of Satan?
 - e. The helmet of salvation (Ephesians 6:17; Romans 8:1-2).

- f. The sword of the Spirit which is the word of God (Hebrews 4:12).
 - g. And pray in the Spirit on all occasions. How has your prayer life developed?
4. You now know what the armor of God looks like, but please realize that like any good soldier, you will have to put it on anew each day. One of Satan's schemes is to make you believe once will do for all time. Every day you need to be in God's truth, reaffirming the gospel, reclaiming your righteousness and salvation in Christ, restating your confidence in prayer and in the God who answers prayers.

39th Day

1. Begin today with II Timothy 2:1-7.
2. Focus in especially on verses 3 and 4. Becoming a Christian is not like going on a picnic. It is like joining an army, taking up weapons, receiving training, and then going into battle. If you are really walking with Jesus Christ and waging His warfare, you will experience *hardship*. Look at II Timothy 3:12. What does this promise say? What are we assured of?
3. Returning to II Timothy 2:4, we see that the warfare is going to be so serious and so intense that the Christian soldier must not get involved in *civilian affairs*. There are a lot of things to do in the world that are not *wrong*. But they are wrong for us if they take away from the front lines and from fighting the good fight. Are there some things in your life that need to be given up because they require *involvement in civilian affairs*?

40th Day

1. Your study guide ends today, but may your study never end. You are on your way to things too glorious and enriching to even describe. Never, never, never, never, never give up!
2. Read carefully the call of these passages: 1 Peter 2:1-2; Hebrews 5:11--6:3; Colossians 2:6-10.
3. Keep studying, keep confessing your sins, keep encouraging others, keep sharing your faith, "and whatever you do in word or deed, do all in the name of the Lord Jesus Christ, giving thanks to God the Father through Him."

Prayer: "Father, thank you for taking our broken lives and making something beautiful out of us. May we always put ourselves in Your hands to be molded and shaped by You. Use our very lives to draw many people into the kingdom of Your Son, Jesus Christ.

Through Him Amen."
